

2012 M.A.R.C. ROBOTICS COMPETITION

- WHAT:** Michigan Advanced Robotics Competition (MARC)
- WHEN:** June 22th at noon and
June 23th (ALL DAY)
- WHERE:** Monroe High School
901 Herr Rd
Monroe, MI 48161
- PRICE:** \$350
\$300 for the 12 original teams that attended the inaugural MARC event
- TEAM LIMIT:** 42+ (Depending on # of teams that apply)
- REGISTRATION:** Now until May 30th. **Pay by May 25th and receive a \$50.00 discount.**
(Original teams \$350 - \$50 (plank-owner discount) - \$50 early-bird discount = \$250)
- HOW TO REGISTER:** 2012 Michigan Advanced Robotics Competition (MARC) Registration Form.
- FOOD:** Teams can purchase hot dogs, nachos, pizza, cheesy bread and water/pop during the event (both days) at the arena.
- LODGING:** Available close by.
- VOLUNTEERS:** We have NUMEROUS positions that need great volunteers - field reset, queuing, field repair, refereeing, pit admin...the list goes on. Those interested in volunteering should contact Lisa Perez. **Due to the lack of volunteers to fill some primary roles, special discounts will be given to teams that provide volunteers for refereeing, judging, and queuing (\$25 OFF PRICE),**
- QUESTIONS/INFO:** Contact Steve Ketron 734-265-3574

Role with team:

Please e-mail this form to Mr. Steven Ketron: ketron@monroe.k12.mi.us

Please have checks \$350 (\$300 for the 12 original teams that attending the inaugural event) (\$50.00 discount if registration fee paid by May 25th). **Due to the increase in demand for this event, we are asking all those interested in attending this event to submit their registration form via e-mail by May 14th.** I do not like to deny team's access to the event but we are limited to the number of teams and would like to get a running list of approved teams out as soon as possible. All I can say is that if you do not submit your registration form before the deadline, then you might not make the cut. Unfortunately even if you submit your registration form before the deadline, the only teams guaranteed a spot are the original 12 teams (PLANKOWNERS). These 12 teams received a large certificate last year at the event. If you did not receive the certificate, your admittance will be based off your commitment to MARC and team availability. Once you are accepted to compete in MARC, please send (**DEADLINE May 30th**) entry fee made out to Monroe Trojan Robotics and mail to:
